

What you need, when you bay some puppy.

On this site we will tray to show you what we mean you shut use when you get a puppy. As a breeder we some times get to hear, people go in to the animal shopping centre and the say

"we get a puppy what shut we have before."

People come home whit lots of thinks they newer come to use, to the puppy.

This site are there some thinks we need in Denmark be case the law.

Det handler om at være

Insurance.

All dog owners must have one dog liability on her / his dog.

If you are whit your dog to bee at the training room, Exhibition dogs, etc., be sure you have an expanded dog liability.

Veterinarian / Veterinary Hospital.

You must have been a veterinarian, where you can get the puppy vaccinated when the puppy are 12 weeks old and in some cases 16 weeks old.

We vaccinated our puppies as 7 weeks, therefore it should only be necessary as 12 weeks old.

Dog sign / plate.

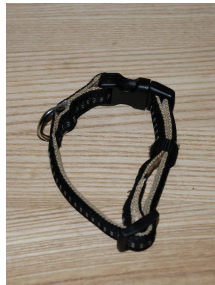

In the Danish low shut there stay the owners Name, address and phone number. The text shut be minimum 2mm and the plate shut be of rust fast iron or similar in strength.

Dog lead.

You need to have some dog lead, its better to give some little more money an get someone you cant use not one in nylon.

Up's. We give the puppy a little dog lead and necklace.

Necklace.

You must have some necklace, we don't use harness for puppy, you cant bay a new one every month because the puppy get bigger every day and they don't tug so hard.

Up's. We give the puppy a little dog lead and necklace.

Pet food.

You need to one have sack food that 3 kg we give you to the puppy are not for long time. We cant sell you one sack food, you cant get when you get the puppy.

Food and water bowl.

We use bowl of metal for our dogs, they are so easy to clean, you take some hot water. Some people use bowls in plastic. Don't use to big bowl for a puppy some puppies don't want to eat in a big bowl.

Toys.

When the puppy are little it is some good think to play whit some carton, paper cup, milk carton and some stick.

Toys.

**Activities ball or dice.
(You can't make your own in a bottle whit 10mm hulls in the buttle.)**

Toys.

some good toys for the puppy are some reef or a old sock whit a knot and this think don't cost so much.

Toys.

Some whine animal but give a little more money and get them in LATEX the are better and the dog cant normal not get them in small pieces.

Dog basket.

We using the first time only a carton box, because the puppy bite in the box. It's first when they have get the new tan we give them a box in plastic.

You cant make a hole in the front whit a knife, the puppy cant go in and out of.

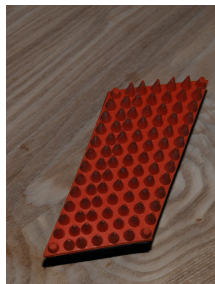

Carpet.

We use some old carpet, towel, bet clothes and Bed in the dog basket.

Nail Clipper.

You need to have some nail clipper, some of them have that we call nail stop, that does you don't cant cut to much of the nail.

Hair Brush.

For a Beagle we using some rubbery brush.

Crap bag.

When you living in the town , think on the other people they don't want to have your dogs crap, use a plastic bag and put the crap in the trash dumpster.

Transport box.

When we driving with our dogs we use transport box.

For Beagle use that type box.

The size of the box (28 x 20,5 x 21,5) L:71

B:52 H:54,5 cm.

Just put some carpet in the box.
